

TEXAS BORDER SECURITY DASHBOARD

REPORTING DATE: 05 NOV 2014

The most significant public safety and homeland security vulnerability in Texas is an unsecured border with Mexico, which has enabled the Mexican Cartels to become multi-billion dollar international crime syndicates that dominate the U.S. drug and human smuggling and trafficking markets. They employ terrorist tactics and corruption to expand or defend their criminal enterprise activities, and they work closely with transnational and Texas-based gangs to further their criminal operations throughout Texas and the nation.

On June 18, 2014, the State Legislature and Texas leadership directed the Department of Public Safety to conduct a multiagency surge operation in the Rio Grande Valley, which began on June 23, 2014. The goal of Operation Strong Safety is to prevent Mexican Cartels, their operatives, transnational gangs, criminal aliens, potential terrorists and drugs from entering Texas between the Ports of Entry (POEs) through sustained, around-the-clock, ground, air and marine saturation patrols on the Texas/Mexico border, and in doing so, reduce transnational crime throughout Texas.
